## *C.S. Lewis Lenten Reading*

I used to live very near to Oxford, England, home of C.S. Lewis. Grew up loving the Narnia series of books. In my teens I read and enjoyed The Screwtape Letters. I have not read, "Mere Christianity." Looking forward to the discussions and hoping that I go to the correct church on Tuesdays at 10:00am!

For those of you who like fiction I have discovered a great author called, "Patti Callahan Henry". Her book on "Surviving the Pulaski" was excellent. Much historical fact included in a page turning way. Same for her book set in England around WWII, "Finding Flora Lee." At least 2 of her books are connected to C. S. Lewis and I have no doubt they will be great reads. Sigh, so many books, so little time!!

## *Update from Junior Warden / Treasurer*

The inscribed bricks from our Buy A Brick fundraiser were delivered in early January and a few weeks later Santos Brick Pavers, LLC installed the new sidewalks. The installation looks great. Thanks to all those who purchased bricks. Sometime in the future we will open up sales for additional bricks to be placed in the sidewalks.

I agreed to support the new Vestry as acting Treasurer and developed an operating budget for 2024, which was approved at the first meeting of the new Vestry on January 15 th . Thanks to a robust response in pledges our 2024 budget is balanced!! Monthly financial reports will be posted on the bulletin board in the parish hall beginning in February. If anyone has interest in filling the Treasurer duties, please let me know. We have a great bookkeeper who does most of the work so it doesn't take a lot of time.

Peace,

Fred Pope
